

Dear Parent / Guardian

BAE Systems Education Programme, in partnership with RAF & the Royal Navy Roadshow Presentation - 2018

Our Roadshow Team will be visiting your child’s school in the near future with a presentation about giving young people insight into the world of science, technology and engineering, with a particular focus on Maths and Physics.

During our visit, digital photos of a number of selected children will be taken. These will then be posted on the social media platforms for the Roadshow Team:

Facebook: www.facebook.com/STEMRoadshowTeam
Twitter: @Roadshow_Team

Where possible we will also link the images with the schools Twitter feed.

As they are displayed on social media, they are available for public viewing. The photos may also be used for other promotion materials for BAE Systems, the RAF, or the Royal Navy, but none of the pupils featured in any media are named.

We require permission to take photos of your child. Therefore, we would be grateful if you could sign the slip below and return it to the school at your earliest convenience.

Yours faithfully,

The BAE Systems & RAF Education Programme

www.baesystemseducationprogramme.com

Name of school:

Pupil’s name(s).....

Class.....

I hereby give/do not give* permission for photos, in which the above named pupil may appear, to be displayed on the BAE Systems Education Roadshow Team social media.

Signed.....(Parent / Guardian)

Print Name.....

*Delete as appropriate

Slips to be returned to school and held on the children’s school profile. On the day of the event, the teacher will identify to the Education Programme team which pupils have been selected to have their photo taken.
