Dear Parent/Carer

This letter is to ask you to help your child in their preparation for the internal assessments which are taking place next week. They have been issued a blank assessment timetable on which to record the lessons each assessment will take place in. Subject teachers will have told the class the day and date of the assessment. It is not possible to issue a readable year group overview as each pupil will have a different timetable dependent on which form group, Maths group and English group they are in. All the assessments will take place during class time.

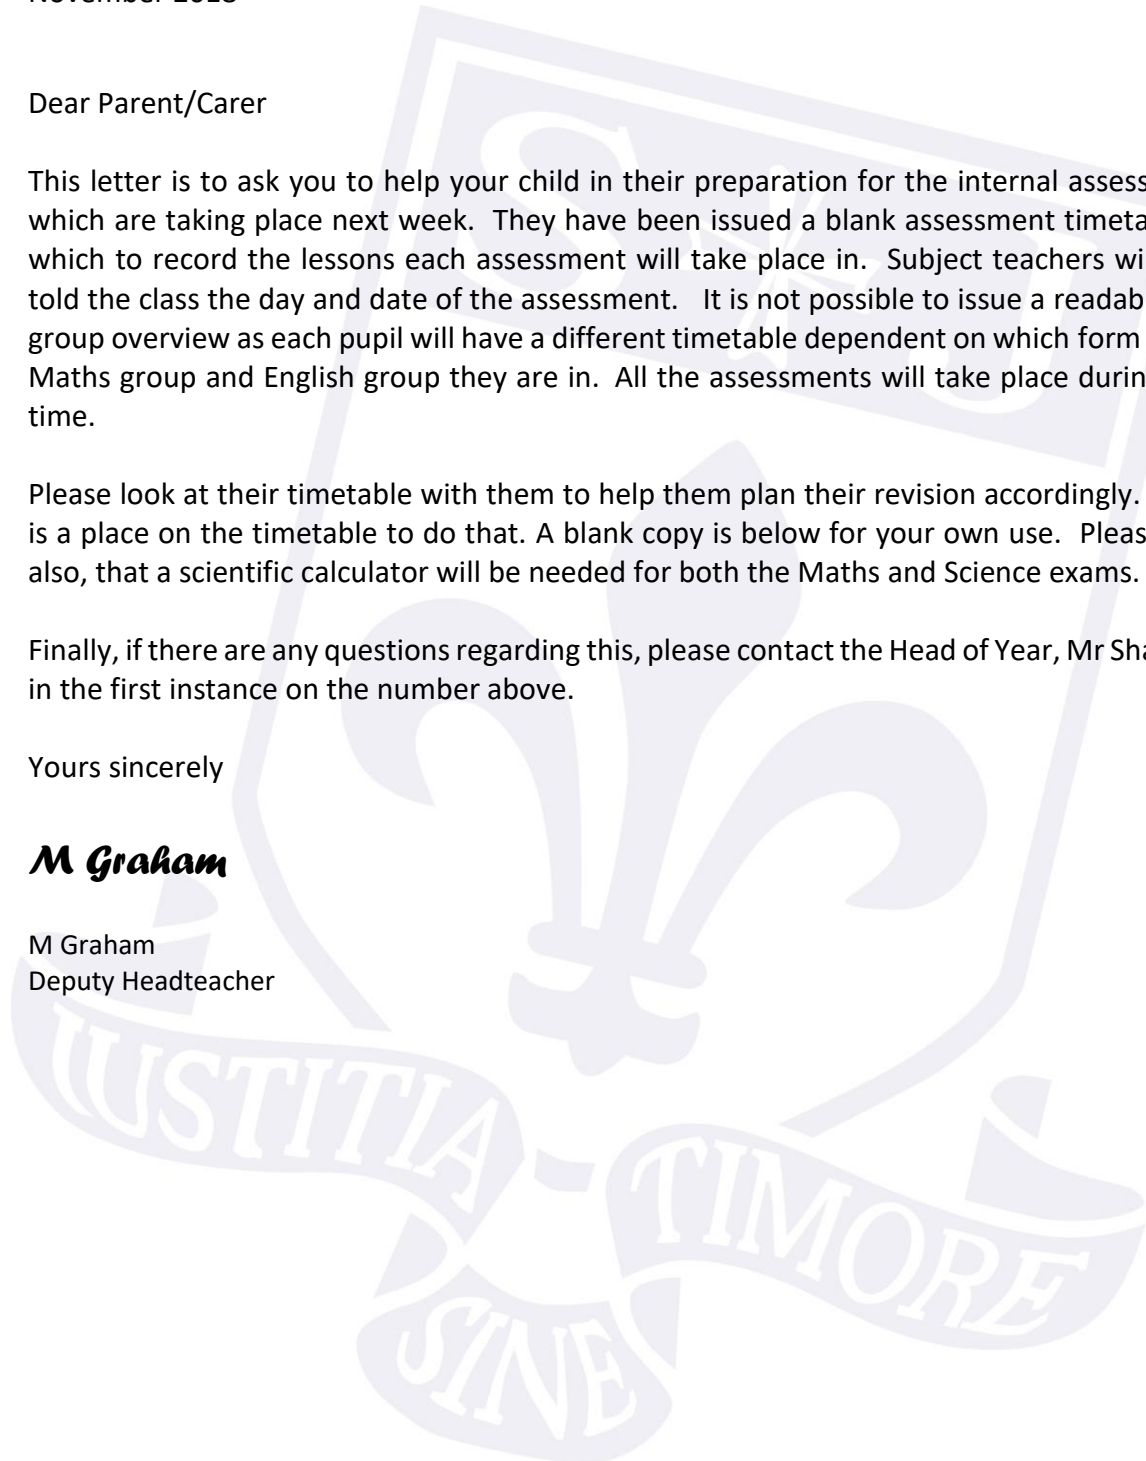

Please look at their timetable with them to help them plan their revision accordingly. There is a place on the timetable to do that. A blank copy is below for your own use. Please note also, that a scientific calculator will be needed for both the Maths and Science exams.

Finally, if there are any questions regarding this, please contact the Head of Year, Mr Sharrock, in the first instance on the number above.

Yours sincerely

M Graham

YEAR 8 ASSESSMENT TIMETABLE

December 2018

Speak to your teacher and fill in the lesson which is to be your assessment for that subject. Plan your revision based on that. If you've just done a unit assessment for a subject write down when that was on the first period for which you have that subject.

WEEK A	Lesson 1	Lesson 2	Lesson 3	Lesson 4	Lesson 5	Revision
Monday 3 December						
Tuesday 4 December						
Wednesday 5 December						
Thursday 6 December
