Gospel Values

The term 'Gospel Values' is commonly used in Catholic schools and other Catholic institutions; however, unless the term is unpacked and a common understanding formed of what true Gospel Values are, there is a danger that what should be an objective Christian foundation, will itself become a random list of subjective values.

Whilst other 'values' may be found within the four Gospels and New Testament writings, it is the Beatitudes which: *"...depict the countenance of Jesus Christ and portray his charity"*. Gospel Values cannot therefore be values chosen subjectively from the vast corpus of the Old and New Testaments but are objective values revealed to us through Christ's proclamation. Such objective values are to be found rooted in the Beatitudes, the proclamation of Christ's Sermon on the Mount. The Beatitudes also *"...reveal the goal of human existence, the ultimate end of human acts"* and as such are the objective 'values' given by Christ himself.

Whilst not definitive, those Gospel values based on the Beatitudes which underpin this policy include:

"Blessed are the poor in spirit, for theirs is the Kingdom of heaven"

Values: **Faithfulness & Integrity**

"Blessed are those who hunger and thirst for righteousness, for they shall be satisfied"

Values: **Truth & Justice**

"Blessed are the pure in heart, for they will see God"

Values: **Purity & Holiness**

Rooted in the teaching of Christ, these Gospel values constitute the targets and outcomes of the educational enterprise for St Joseph's as a Catholic school.

School Charging

1 Education

The school will **not** charge for:

- Admission to the school.
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment [unless parents wish to own them]).
- Education provided outside school hours if it is part of the national curriculum¹, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent.
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school².
- An exam re-mark that the school requests.
- Activities or trips taking place wholly or mainly during **school hours** (please also see section below on voluntary contributions).
- Transport costs during **school hours** (please also see section below on voluntary contributions).

It should be noted that 'part of the National Curriculum' is not restricted to learning outside the classroom experiences that are specifically subject based (e.g. geography or science fieldwork) and include, for example, activities designed to fulfil requirements under the National Curriculum 'inclusion statement' (e.g. developing teamwork skills)

However, if a pupil fails, without good reason, to meet any examination requirement for a syllabus, the fee can be recovered from the pupil's parents.

The school will charge for:

- Ingredients and materials for subjects such as D&T/ Food Technology etc where parents have indicated a wish to own the finished product.
- Music and vocal tuition, in limited circumstances (please see the section below on music tuition).
- Community facilities.
- Optional extras.

2 Optional Extras

Charges may be made for some activities that are known as 'optional extras'. Where an optional extra is being provided, a charge **may also** be made for providing materials, books, instruments, or equipment.

Optional extras are:

- Education provided outside of school time that is not:
 - a) part of the national curriculum.
 - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
 - c) part of religious education.

- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing body have arranged for the pupil to be provided with education).
- Board and lodging for a pupil on a residential visit.
- Lost or damaged school property e.g. text or exercise books, equipment.
- Wilful damage to School property, equipment or furniture.
- The recovery of examination fees where the student fails, without good reason/medical certificate, to complete the examination requirements for any public examination for which the School has paid an entry fee.
- Examination entries where there is a request from the parent/carer for additional subject entries to be made which are not supported by the school.
- Individual appeals to Examination Boards based on parental requests – payment must be made before the appeal is lodged.
- Postage Costs for posting Examination Certificates not collected at Presentation Evening.
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school.

In calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments, or equipment provided in connection with the optional extra.
- The cost of opening buildings and accommodation.
- Non-teaching staff.
- Teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra.
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. It will not therefore include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

Furthermore in cases where a small proportion of the activity takes place during school hours the charge will not include the cost of alternative provision for those pupils who do not wish to participate. Therefore no charge will be made for supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

3 Voluntary Contributions

Nothing in legislation prevents a school governing body or local authority from asking for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, the governing body or head teacher will make this clear to parents at the outset. The governing body or head teacher will also make it clear to parents that there is no obligation to make any contribution.

It is important to note that no child should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit,

or it cannot be funded from some other source then it must be cancelled. This must be made clear to parents. If a parent is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. It will be made clear to parents at the outset what the policy for allocating places on school visits will be.

When making requests for voluntary contributions, parents must not be made to feel pressurised into paying as it is voluntary and not compulsory.

4 Music Tuition

Although the law states that, in general, all education provided during school hours must be free, instrumental and vocal music tuition is an exception to that rule.

The Charges for Music Tuition (England) Regulations 2007 set out the circumstances in which charges can be made for tuition in playing a musical instrument, including vocal tuition. They allow charging for tuition in larger groups than was previously the case.

Charges may now be made for vocal or instrumental tuition provided either individually, or to groups of any size, provided that the tuition is at the request of the pupil's parent. Charges may not exceed the cost of the provision, including the cost of the staff who provide the tuition.

The regulations make clear that charging may not be made if the teaching is an essential part of the national curriculum. They also make clear that no charge may be made in respect of a pupil who is looked after by a local authority (within the meaning of section 22(l) of the Children Act 1989).

5 Transport

We will **not** charge for:

- Transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport.
- Transporting registered pupils to other premises where the governing body or local authority has arranged for pupils to be educated.
- Transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school.
- Transport provided in connection with an educational visit.

6 Residential Visits

Schools **cannot** charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

Schools **can** charge for:

- Board and lodging and the charge must not exceed the actual cost.

When a school informs parents about a forthcoming visit, they should make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances.

- Income Support (IS).
- Income Based Jobseekers Allowance (IBJSA).
- Support under part VI of the Immigration and Asylum Act 1999.
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190 (Financial Year 2013/14)
- The guarantee element of State Pension Credit.

7 Education partly during school hours

Where an activity takes place partly during and partly outside school hours, there is a basis for determining whether it is deemed to take place either inside or outside school hours. However, a charge can only be made for the activity outside school hours if it is not part of the national curriculum, not part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school and not part of religious education.

Non-residential activities

If 50% or more of the time spent on the activity occurs during school hours, it is deemed to take place during school hours. Time spent on travel counts in this calculation if the travel itself occurs during school hours. School hours do not include the break in the middle of the day.

Where less than 50% of the time spent on an activity falls during school hours, it is deemed to have taken place outside school hours. For example, an excursion might require pupils to leave school an hour before the school day ends, but the activity does not end until late in the evening.

Residential visits

If the number of school sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A 'half day' means any period of 12 hours ending with noon or midnight on any day.

Example 1: Visit during school hours

Pupils are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

Example 2: Visit outside school hours

Pupils are away from school from noon on Thursday until 9pm on Sunday. This counts as 7 half days including 3 school sessions, so the visit is deemed to have taken place outside school hours.
