

| Monday | Tuesday | Wednesday | Thursday | Fun-filled Friday |
|--|--|---|--|--|
| Maths 1 | Physics | RE | English 1 | CORE PE *Catch up time- You may find that depending on what options you have taken you have more than 3 lessons a day. Use this time to catch up here. Your teachers will also suggest some activities and challenges you may like to take part in. Watch out for our Well-Being blogs on FB. |
| Maths 2 | Chemistry | Biology | English 2 | |
| Option Subjects History / Geography/ Sports Science | PSHCE Health & Social Studies | Option Subjects Spanish/ French Music Art AOPE IT I-Media | Option Subjects Drama/ Design Technology/ Food Tech | |

Aim to stick to a routine. Try to start the day with Joe Wicks. Where possible all students should be logged on by 10am Mon – Fri. All work is posted on E-Praise, please up-load it back on E-Praise and send it back to your class teacher, not the teacher who set it, this can be done via email by attaching the document or sending a photograph. Message or email staff if you need support, we are here to help. Should you find you are finishing the work quickly make sure you have followed the instructions, go back over previous work to check you can remember it, and access the extra work available for each subject. If you can't finish the work set, do ask for help but don't get anxious, just do your best.

Activities to further support your learning

| | |
|---|---|
| Art | Students should push themselves to try new techniques and really improve annotation in the sketchbook they are working in. Develop work and use different media wherever possible, even if it doesn't work – keep it! https://www.bbc.co.uk/bitesize/guides/zgtngdm/revision/1 |
| D&T Timbers | https://app.senecalearning.com/classroom/course/c27537fc-87d5-4867-8852-2def4203cb50 Section 1 – Core knowledge, this covers a range of topics that make up Section A of your exam (40%). It is <u>ALL</u> relevant, even if you don't think it is!! Create a range of revision materials. |
| Drama | https://www.bbc.co.uk/bitesize/examspecs/zrnjwty Use BBC Bite size from Drama support. Work through the exam booklet. Read scrip and make notes. Send any extra work for me to check over. |
| English | https://www.bbc.co.uk/bitesize/subjects/z3kw2hv Head over to BBC Bitesize if you want to help sharpen your skills – make sure you click on the GCSE tab. Here you can choose either Language or Literature. Make sure you click AQA as this is the exam board we study. We recommend visiting the Macbeth tab to help support your learning with your current classwork. |
| Food Preparation & Nutrition | https://app.senecalearning.com/classroom/course/2dc03c41-fe59-4573-875c-7cf8b5320832 Food preparation & nutrition: Eduqas GCSE then work through topics 4-6 |
| Geography | Go over past and current units on Seneca Learning. You should all be signed up to Seneca by now. https://www.senecalearning.com/ |
| Health & Social Care | https://www.pearson.com/uk/learners/secondary-students-and-parents.html Click View ebooks then accept the terms. Select BTEC L1/L2 Tech Award: Health & Social Care ebook. Work through component 2 completing tasks on each page |
| History | https://www.bbc.co.uk/bitesize/subjects/zj26n39 Edexcel - try the revise and test sections for Normans https://www.bbc.co.uk/bitesize/guides/zxg6wxs/revision/1 try the revise and test sections for Medicine |
| IT | If you have access to Microsoft Access – create a database for a doctors surgery – database must have tables, queries and reports as well as a user menu system (forms) OR https://quizlet.com/gb/346412109/r012-exam-revision-flash-cards/ - revision for the exam |
| i-Media | https://blog.withcode.uk/2018/11/free-imedia-r081-revision-games/ Revision games to help with the exam Pre-Production documents |
| Languages Fr/Sp | www.pearsonactivelearn.com Work through the Revision Guide from page 1 onwards. Email your teacher with questions. Send work in if you want it checked. French: https://KOTISEY.exampro.net OR Spanish: https://CIUYVOE.exampro.net |
| Maths | https://corbettmaths.com/contents/ Use in conjunction with the learning plans on the school website to do extra reading around the topics we are currently learning or topics that you want to recap. Pay particular attention to the textbook exercises apply sections. These will help you to develop your problem solving skills. Answers are available on this website to check your progress. https://www.mathsgenie.co.uk/papers.html links to exam papers with answers and worked solutions. These may be good for you to take a look at. Particularly at this stage in Year 10. |

| | |
|---------------|--|
| Music | https://www.bbc.co.uk/bitesize/examspecs/z6chkmn Use BBC Bite size for Music support. |
| PE activities | https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ |
| PE | <p>OCR</p> <p>Research the body's response to physical activity paying particular attention to the key components of the muscular-skeletal and cardio-respiratory systems knowing their functions and roles</p> <p>Draw and label both of the above systems. Research and understand the importance of the above systems in health and fitness.</p> <p>Research the long term and short term effect exercise has on the muscular-skeletal and cardio-respiratory systems.</p> <p>www.ocr.co.uk</p> <p>www.brianmac.co.uk</p> <p>www.hoddereducation.co.uk/dynamiclearning</p> |
| RE | <ul style="list-style-type: none"> • Use Seneca Learning and complete the Judaism sections for Edexcel Religious Studies. • Research Jewish festivals and create information pages using the celebrate section of www.myjewishlearning.com • Research Jewish Rites of Passage such as Bar/Bat Mitzvah, Birth, death, marriage using the Live and mourn sections of www.myjewishlearning.com |
| Science | <p>1) BITESIZE</p> <p>Biology units 1-5: https://www.bbc.co.uk/bitesize/examspecs/zpgcbk7</p> <p>Chemistry units 1,2,4,5,6,7: https://www.bbc.co.uk/bitesize/examspecs/z8xtmnb</p> <p>Physics units 1-6: https://www.bbc.co.uk/bitesize/examspecs/zsc9rdm</p> <p>Prepare summary notes for each unit studied so far.</p> <p>Complete the sample exam questions for each unit.</p> <p>Work your way through the practical skills section at the bottom.</p> <p>2) Work your way through the Required Practical Activities that have been studied so far, by watching the videos and making notes. See list.</p> <p>3) Work your way through the exam questions here:</p> <p>https://AOKAPIZ.exampro.net</p> <p>https://ZAXOEEQ.exampro.net</p> <p>https://OAOADUV.exampro.net</p> |

AQA Combined Science / Separate Science Required Practical Activities – Paper 1

Remember: questions about or linked to these practical will make up 15% of the marks

| Required Practical | BBC bitesize link | Youtube link |
|----------------------------|---|---|
| B1: microscopes | https://www.bbc.co.uk/bitesize/guides/zpqqphv/revision/1 | https://youtu.be/SX6mow1AExI |
