GOSPEL VALUES

The term 'Gospel values' is commonly used in Catholic schools and other Catholic institutions; however, unless the term is unpacked and a common understanding formed of what true Gospel values are, there is a danger that what should be an objective Christian foundation, will itself become a random list of subjective values.

Whilst other 'values' may be found within the four Gospels and New Testament writings, it is the Beatitudes which: "...depict the countenance of Jesus Christ and portray his charity". Gospel values cannot therefore be values chosen subjectively from the vast corpus of the Old and New Testaments but are objective values revealed to us through Christ's proclamation. Such objective values are to be found rooted in the Beatitudes, the proclamation of Christ's Sermon on the Mount. The Beatitudes also "...reveal the goal of human existence, the ultimate end of human acts" 46 and as such are the objective 'values' given by Christ himself.

Whilst not definitive, those Gospel values based on the Beatitudes which underpin this policy include:

"Blessed are the poor in spirit, for theirs is the Kingdom of heaven"

Values: **Faithfulness & Integrity**

"Blessed are those who mourn, for they shall be comforted"

Values: **Dignity & Compassion**

"Blessed are the meek, for they shall inherit the earth"

Values: **Humility & Gentleness**

"Blessed are the pure in heart, for they will see God"

Values: **Purity & Holiness**

Rooted in the teaching of Christ, these Gospel values constitute the targets and outcomes of the educational enterprise for St Joseph's as a Catholic school.

RATIONALE:

St Joseph's RC High School is committed to ensuring Careers education and guidance programmes make a major contribution to preparing young people for the opportunities, responsibilities and experiences of life. At St Josephs, a planned progressive lifelong learning programme of activities supports them from year 7 - 13 to develop an awareness of employability skills and understanding of opportunities in the working world that suit their interests and abilities and help them to follow a sustainable career path

COMMITMENT:

At St Josephs, we all have a critical role to play in preparing our pupils for the next phase of their education or training and beyond. Careers guidance is more important than ever for our young people today. Pupils will be embarking upon a career pathway, which is more challenging and multifaceted than that faced by previous generations. Worldwide opportunities and increasing technological advances will result in young people having several careers during their working life and potentially working in a career that does not currently exist.

With the greater choices of education, training and employment, St Joseph's aims to prepare our pupils for these ever-changing opportunities, responsibilities and experiences and to equip them with the skills to manage the choices, challenges and transitions ahead of them

Our careers strategy is shaped by the 8 benchmarks outlined in Professor Sir John Holman's report as the key elements of high quality practice:

Report generated from Compass+ on July 28th 2021

1. A stable careers programme	100%
2. Learning from career and labour market information	100%
3. Addressing the needs of each pupil	81%
4. Linking curriculum learning to careers	100%
5. Encounters with employers and employees	100%
6. Experiences of workplaces	100%
7. Encounters with further and higher education	95%
8. Personal guidance	100%

Careers Education, Information, Advice and Guidance programmes make a major contribution to preparing young people for the opportunities, responsibilities and experiences of life. A young person's career reflects the progress they make in learning and work. St Joseph's fully believes that all students need a programme of activities to help them choose options and career pathways that are right for them through our statutory responsibility, but also ensuring that our feeder schools are supported in terms of introducing the world of work.

DEVELOPMENT:

The policy was developed and is reviewed biennially by the Careers Leader based on current good practice guidelines by DfES/Ofsted, CEG Framework/The Gatsby Benchmarks for Good Careers Guidance

AIMS:

St Joseph RC High School Careers Education and Guidance policy has the following aims:

- To build a strong and sustainable careers programme
- To contribute to strategies for raising achievement, especially by increasing motivation
- To support inclusion, challenge stereotyping and promote equality of opportunity
- To encourage participation in continued learning including higher education and further education
- To develop enterprise and employment skills through links with industry
- To contribute to the economic prosperity of individuals and communities
- To address the needs of all our students through appropriate differentiation
- To focus students on their future aspirations through 1-1 careers guidance
- To involve parents and carers

ROLES/RESPONSIBILITIES:

Mr T McCabe	Head Teacher
Mrs V Sherrington	CEIAG Governors
Mr M Singleton	CEIAG Line Manager
Mrs D Hancock	CEIAG Lead
Mrs D Hancock	Careers Advisor
Mrs R Hawkrigg	SENCO

ENTITLEMENT STATEMENT:

Careers Education and guidance (CEG) is an important component of the 14-19 Curriculum and at St Joseph's RC High School, we fully support the statutory requirement for a programme of careers guidance in Years 7 – 11. School, you are entitled to receive a programme of careers education, advice, information and guidance which help you develop and inform by:

- Supporting you to make well informed realistic choices

- Promoting a culture of lifelong learning, in which you can set yourself ambitious goals which will advance your interests and passions.
- Providing access to on-line career platform to help you stock take your careers journey for help with research and evaluation
- Supporting your development of self-awareness, independent thinking and career management skills need for your future

- To have access to career focused sessions every year through enrichment days and Lifelong learning days
- Helping you to understand and develop the decision-making process
- Offering support from our experienced and knowledgeable guidance team
- Providing you with a wealth of inspirational IAG opportunities, activities and experiences which will inform, motivate and encourage you to aim high and fulfil your personal aspirations.
- developing your interview skills and improve your confidence
- providing you with post 16 organisation visits, employer encounters and workplace experience

OBJECTIVES:

St Joseph's RC High School

Have a concise plan of engagement in Careers Guidance for all students to ensure that they work hard and strive to be the best they can be.

Meet the eight Gatsby Benchmarks for good career guidance as recommended by the Department of Education Careers Strategy 2018.

Gain the 'Quality in Careers Standard' accreditation, the nationally recognised award for Careers Guidance in English Secondary Schools.

Provide effective and impartial information, advice and guidance to prepare students for life in the wider world, making them aware of roles and responsibilities.

Raise aspirations by ensuring all students have knowledge of routes into further education, higher education and apprenticeships (of all levels).

Guarantee every student is offered careers personal guidance to meet their needs at the different stages through their school journey. This will reflect the school's equality and diversity policy to ensure that every student is treated fairly.

Engage and participate with local employers and training providers in order to provide multiple learning opportunities about the world of work and skills required. Both academic and vocational routes are explored and are available to students regardless of career choices.

To guarantee Labour Market Information and Intelligence is available to ensure students (and parents) are aware of local and national opportunities as well as trends, to ensure they are informed to make the best decisions.

All staff at the school have an awareness of linking curriculum learning to careers and are able to demonstrate the relevance of subjects to students when considering a future career. Particularly relevant is that STEM subject staff should highlight the increasing need for STEM subjects to access a wide range of future career paths, making sure the information does not stereotype in any way.

To ensure all students are aware that the attainment of English and Maths GCSEs are crucial elements of any future study programme they may undertake and an expectation from all employers.

To support work experience opportunities for KS4 students as required, either in accordance with their studies or on an individual basis as deemed appropriate to the student.

To constantly strive to improve NEET (Not in Education Employment or Training) figures by providing an effective careers programme,

To actively track the progress of Pupil Premium and students from disadvantaged backgrounds to ensure that they access all of the careers information, advice and guidance to enable them to make the relevant decisions to their career goals.

To adapt information, advice and guidance as necessary to meet the needs of any vulnerable students and offer appropriate alternatives as deemed necessary.

Legal framework

This policy has due regard to legislation and statutory guidance, including, but not limited to, the following: • DfE 'Careers guidance and access for education and training providers' 2018 • Education Act 1997 • Education and Skills Act 2008 • Apprenticeships, Skills, Children and Learning Act 2009 • Equality Act 2010 • Children and Families Act 2014 • Technical and Further Education Act 201

Vulnerable Groups

NEET – students identified as at risk of NEET are provided with early support. Ensuring these students have at least one personal guidance meeting with our Careers Advisor, and are prioritised when opportunities such as college taster days and personal statement workshops arise.

SEND (Special Education Needs or Disability) - SEND students are supported through a range of provisions depending on need. They will be included in whole year events and given extra help including 1:1 careers interviews to help them progress to post 16.

AoPE(Award of Personal Effectiveness) – AoPE students embark on a complete programme of careers education including work experience, mentoring, interview practice, help with transitions, personal statement workshops and individual 1:1 careers guidance meetings.

EAL (English as Additional Language) - EAL students are offered 1:1 advice on their post 16 options and support throughout their education to engage with careers information. Students are supported in The Portal.

Alternative Provision – St Joseph's provides a safety net for students unable to cope with mainstream lessons. Through this students have opportunities to engage with work experience and various alternative provision plans.

MANAGEMENT AND DELIVERY:

The careers programme is managed by the careers leader who is responsible to the Assistant Head Teacher. The careers leader is responsible for planning and implementing the programme across the curriculum.

Work experience/Alternative provision (extended work placements) is an integral part of the CEIAG programme and is implemented by Mrs D Hancock who works closely

STAFF DEVELOPMENT:

All staff have a part to play in contributing to careers guidance through their own roles as tutors and subject teachers. Careers is embedded into the curriculum

wherever possible, with this area continually reviewed with close interaction with Head of Faculties and tutors. CPD training and availability of easy to understand resources are critical to ensure staff have the ability and confidence to support the careers programme in many varied ways, such as leading employability skill sessions, direct mentoring to help raise aspirations and define careers goals, and supporting students during their college application process

PARENTS/CARERS:

Parental involvement is encouraged at all stages. Online resources have been specifically chosen to help parents become more involved. All online resources are easily accessed through the links on the school website. Parents are kept up to date with careers related information through letters, newsletters and at open evenings. Parents are welcome at careers interviews and where necessary are invited.

FUNDING & RESOURCES:

Funding is allocated through the school budget on an annual basis, subject to priorities and particular needs within CEIAG.

D Hancock is responsible for identifying the budget and for the effective deployment of resources.

Sources of external funding are actively sought.

MONITORING/REVIEW/EVALUATION:

Destination Data, Measures and Tracking – track pupils up to three years after their leaving date. On GCSE results we ask our Year 11 pupils to complete the Data consent form for Post 16 destinations Information gathering and sharing. This information is also used to update

Policy Statement Provider Access

St Joseph's RC High School: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the providers, education or training offer. This complies with the schools legal obligations under Section 42B of the Education Act 1997

Pupil entitlement

All pupils in year 7-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships- through option events, assemblies and group discussions and taster events;
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Mrs **D Hancock** Careers Lead, Telephone: 01204 697456; Email dhancock510@st-josephs.bolton.sch.uk

Opportunities for access

A number of events, integrated into the schools careers programme, will offer providers an opportunity to come into school to speak to pupils and their /or their parents/carers: Please check out the careers programme page 6
