Definitions

- **Action** -the process of doing something, especially when dealing with a problem or difficulty
- **Actor** - someone who pretends to be someone else while performing in a film, play, or television or radio programme
- **Reaction** - behaviour, a feeling or an action that is a direct result of something else

Define it:

Act = Latin for **move** or **do**

Activate - to do something to start
I need to **activate** my bank card

Activity - the situation in which a lot of things are happening or people are moving around
The school hall was a hive of **activity**.

Exact - to do in great detail, or complete, correct, or true in every way.

Mum said I have to have the **exact** change.

Can you think of any 'act' words you have learnt in school and which subject were they in?
Write them down with their definition.
