Dear Parents and Carers,

We have been pleased to welcome our young people back into school and it is to their credit they have returned to school with a superb attitude to their learning as they have started their new timetables.

All students in school have been reminded of our expectations regarding uniform and the use of mobile phones and I am writing to ask for your support in this matter.

Students should arrive in school in full uniform and this does include a blazer. Students are not permitted to substitute their blazers for a hoody and whilst we appreciate the weather is not at its' warmest we ask that you ensure your child does wear their blazer to school. Year 11 are still expected to wear blazers until the arrival of their leavers' hoodys which has been unavoidably delayed.

Our mobile phone policy does not allow students to use their mobile phones during the school day unless they have been given permission to do so by a member of staff. All students may ask a member of staff to contact home should there be a need to do so. Students who are found to be using their mobile phones will have their mobile phones confiscated. Should your child refuse to co-operate this will be considered defiance and you will be contacted to discuss further sanctions that will be put into place.

We would like to ask your support in this matter in that if you do need to contact your child during the school day, you do so via our school Reception. If there is a need for you to be contacted we will ensure there is the opportunity for this to happen either by your child being given permission to use their phone by a member of staff or via Reception.

Thank you as ever for your continued support,

Yours sincerely,

*N. Yorke-Robinson*

N Yorke-Robinson

(Deputy Headteacher)
