Year 9

Workshop	Outcomes
Geographical Information Systems	<ul style="list-style-type: none"> To investigate how GIS can be used to capture, store and display data.
<p>Four of the Year 9 workshops are focused on looking at groups who have been marginalized in history. Pupils will have the opportunity to look at different perspectives and hear different voices. Studying aspects of inclusive history will benefit all students by providing mirrors to their own lives and windows into others' lived experiences. We aim to build empathy through studying the lives and struggles of different people through history.</p>	
Black British History	<ul style="list-style-type: none"> To investigate and understand more about Black British history and key people, issues and events and challenges in British Black history.
History of the Disabled	<ul style="list-style-type: none"> To investigate and understand some of the history of the disabled and key issues and challenges faced by disabled people today.
History of Women's Rights	<ul style="list-style-type: none"> To understand more of the history of Women in the UK and their fight for equality and current challenges.
